#### SPONSORSHIP

Sponsorship helps to minimize future fee increases  
and to ensure that Cardinal players are able to have  
quality uniforms, equipment and coaching, etc. at a  
reasonable cost. If you or someone you know wishes  
to sponsor Cardinals Baseball, please contact Carey  
Terichow at 306.260.3974 or email  
[uniforms@saskatooncardinals.ca](mailto:uniforms@saskatooncardinals.ca).

#### VOLUNTEERS

Please complete the Volunteer section of the  
Registration Process. Without the help of many  
volunteers, it is very difficult for Minor Sports programs  
to operate.

### EQUIPMENT / JERSEY - DEPOSIT / PICK UP

**A \$300 Equipment / Jersey Deposit will be required from each team PRIOR to the equipment / jerseys being released.**

Equipment / Jerseys will be distributed to the **COACHES ONLY** the third week in April. A reminder message from the Coordinator with the location, date and time will be sent to each coach.

This is a necessary procedure to ensure that equipment and jerseys are returned promptly and cleanly at the conclusion of the season. These cheques are to be post-dated to September 1, 2020. Two return dates will be set up for end of July and late August. Deposit cheques will be cashed unless the equipment / jerseys are returned.

### RESPECT IN SPORT MANDATORY

Started in 2014, Respect in Sport (RIS) is an online educational program to assist coaches and sport leaders in identifying abuse, bullying, harassment and neglect in sport. Sask Sport Inc., along with the support of the Saskatchewan Government, has launched this required program for Coaches in the province to help to provide a safer and more respectful sporting environment for all to participate. The online training program is being provided free of charge for all users.

### EVALUATIONS

Indoor evaluations will be held as outlined above. All players from 11U through 15U will be evaluated in order to be placed on teams with players of similar abilities. Please remember that "AAA" baseball requires a major commitment from players and parents. This commitment begins with extra practices on a regular basis and includes additional tournaments throughout the season. The "AAA" season ends well into July or possibly August with Provincial Championships. Please talk to the appropriate coordinator prior to evaluations if you have any questions regarding these commitments. You will be contacted by a coordinator regarding the time and location for evaluations.
